The Irish Shows Association are proud to present the following Championships and wishes to acknowledge the generous sponsorships, which make these competitions possible. For the efficient running of the championships all concerned are requested to read and observe the Rules set out below.

GENERAL RULES FOR ISA CHAMPIONSHIPS

A. ELIGIBILITY OF SHOWS: Shows wishing to participate in the 2024 Championships and be eligible to hold qualifiers must have collected the Championship Fund Levy (currently 5%) from Horse, Pony, Cattle, and Sheep class prize money for the year 2024 and forwarded the amount so collected, in full, to the Irish Shows Association Head Office within the stipulated period of not more than 30 days from the date of their show. Alternative methods of meeting this obligation are not acceptable. Any show or competitor in breach of the Rules set out below will be disqualified from participating or competing in these championships. These General Rules and those relating to individual championships (where applicable) should be published in the show schedule and catalogue of the participating shows and must be strictly observed.

B. QUALIFYING ROUNDS (QUALIFIERS): Qualifying rounds will take place at eligible shows selected by the Irish Shows Association.

C. RESPONSIBILITY OF SHOWS HOLDING QUALIFYING ROUNDS:

- a. Selected shows should hold a separate class for each qualifier from which the highest placed animals will qualify.
 - b. The qualifier class should be held as the first (1st) class in the relevant section of the show.
 - c. Shows must ensure that the qualifiers are held strictly in accordance with the relevant rules.
 - d. No other sponsor may be involved in qualifying classes.
 - e. Shows may charge an entrance fee for each qualifying class. The ISA will award a rosette to the successful Qualifiers on appearance at the final.
 - f. No show hosting a Championship Final may hold a qualifier for that Championship on the day of the final other than by agreement with the ISA. "However Shows who hold qualifiers for Horses, Ponies & Cattle may ask exhibitors to enter the exhibit in at least one other class at their show on the day"
 - g. Animals qualified for finals are not eligible to enter in any other class at the Show where the Final is held other than a Qualifying Class for another Competition.
 - h. Shows should appoint competent well-briefed persons to act as Stewards, who must ensure that only animals (or other exhibits) which are eligible to compete and whose documentation is in order are allowed to proceed to the judging ring.
 - i. Animal Passports & "Micro Chips where applicable" should be read by a Veterinary Surgeon appointed by the show.
 - j. On completion of judging, Stewards should instruct the successful competitors to attend at the Show Secretary's Office within one hour and to complete the necessary documentation for entry to the championship final.
 - k. The show must appoint a well-briefed officer, who will be in attendance at the Secretary's Office, and who will assist exhibitors to complete the necessary documentation for participation in the final and to collect the relevant entrance fee.
 - l. Show Secretaries must forward completed result cards, together with appropriate fees to the Irish Shows Association with three (3) days following the holding of the show.
- N.B. Shows must return results card marked "No Competition" for any or all of the events for which no animal (or exhibit) has been selected.

D. RESPONSIBILITY OF EXHIBITORS:

- a. Exhibitors accept that the Judges decision is final in all cases. Any abuse of Judges will not be tolerated. Where a dispute or case for complaint arises the matter should only be dealt with under f. below.
- b. Winners of qualifiers are themselves responsible for entering their animals (or exhibits) for the final in accordance with j. and k. above, within one hour of qualifying.
- c. Winners of qualifiers will compete in the final.
- d. The Irish Shows Association in conjunction with the sponsor reserve the right to alter or amend the rules of any competition as may be necessary or appropriate.
- e. Shows and competitors must contact the National Irish Shows Office for details of any championship and not the sponsor involved.
- f. Objections must be lodged in writing with the Show Secretary or with the I.S.A representative at the show within half an hour of the completion of judging, together with a fee of €50, or other stated fee, which is refundable in the event of the objection being upheld.
- g. Any Exhibitor who makes a false declaration or misrepresents a fact regarding themselves or their exhibit is liable to disqualification and or forfeiture of any prizes awarded.

E. RESPONSIBILITIES OF SHOWS HOSTING CHAMPIONSHIP FINALS:

- a. A deduction of 5% of the prize money is to be collected by the show and forwarded to the Irish Shows Association within 30 days of the final.
- b. Championship finals should start not later than 2pm on the day of the show and the advertised time of starting should be adhered to as far as practicable. If necessary, other show classes should be either postponed or relocated to allow for this.

The Disciplinary Committee shall, at any time, seek further information from either party. In the event of either party refusing or failing to provide such further information within the time specified by the Disciplinary Committee, the Committee shall be entitled to make a decision on the complaint and/or to hold an oral hearing of the complaint in the absence of a copy of such further information being received by the Disciplinary Committee from either party.

MINISTER HUMPHREY ADDRESS 2024

Message from Minister Heather Humphreys

Welcome to the 2024 Clonaslee Agricultural Show

I am delighted that my Department will once again provide funding to support this show and indeed to support over 120 agricultural shows across the country. This is the second year where we have provided a record investment of €1 million across all of the shows. The total funding provided by the Department of Rural and Community Development for agricultural shows since 2018 is now over €4.3 million. I know that this is money well spent.

Our agricultural shows play a vital role in community life and raise awareness of the important role agriculture plays in our society. These shows are the threads that build bridges between our towns and villages, and the hinterlands that support them. They act as a platform for local producers to showcase their products and have become a key date in the calendar for the farming community, local producers and visitors to engage, share ideas and experience all that is good about life in the country.

Each show has its own unique offering and such is the interest in these shows, I understand that exhibits increased by 15% last year. It is great to see the growing interest in these wonderful events. Entrants travel from neighbouring counties and beyond to compete, as do the many thousands of spectators who have an interest in livestock and the farming way of life.

It should be acknowledged that without the ongoing efforts of the show committee, volunteers, sponsors, local businesses and local organisations that play a role in each of these shows, the shows would just not happen. I want to thank all of you for your continued contribution. This really demonstrates the importance of communities working together, something that we are so fortunate to have in spades here in rural Ireland, where everyone looks out for each other.

I hope to attend a number of the shows around the country this year and I look forward to personally meeting many of you throughout the summer as we all enjoy what the Agricultural Shows have to offer.

Go n-éirí go geal libh!
